Unrest - Hold On The Night

unrest_hold_on_the_night_.mp4

Girl I'm a man on the run
I never be there, out in the sun
Tell me you're waiting for me
Down by the sea, we meet again
Baby you could light the night

Night full of words
Can be a dream - getting out
From your search
Worlds never mean what they are
You’ve got to feel this way

And I'm losing control of my life

Hold on the night
Give us a chance for more and more
Than a romance
Don’t leave me now cause I know
I'm losing my soul,
I can't bear any more
Can't return

Rain is crying your name
Just like a birth you're
Gone with the wind
The song that my lonely heart sings
Forever yours

And I'm losing control of my life
